

Numerise discount code terms and conditions

- Discount codes are available for new Numerise subscriptions only (unless stated otherwise). They cannot be applied to existing subscriptions or used with other promotions.
- To redeem, you must use your discount code at checkout when purchasing a subscription. Some discount codes are only available for one subscription type (e.g. monthly or annually) rather than both.
- The discount will be applied immediately and you will see the discounted price and the term of the offer on the screen.
- Discount codes can be redeemed once per account.
- The discount is not transferable or redeemable for cash or credit.
- Discount codes usually have a set expiry date however we reserve the right to withdraw them at any time at our discretion.
- Subscriptions are subject to the Numerise [Subscription Terms](#).
